II. GUI Design – Front-end:

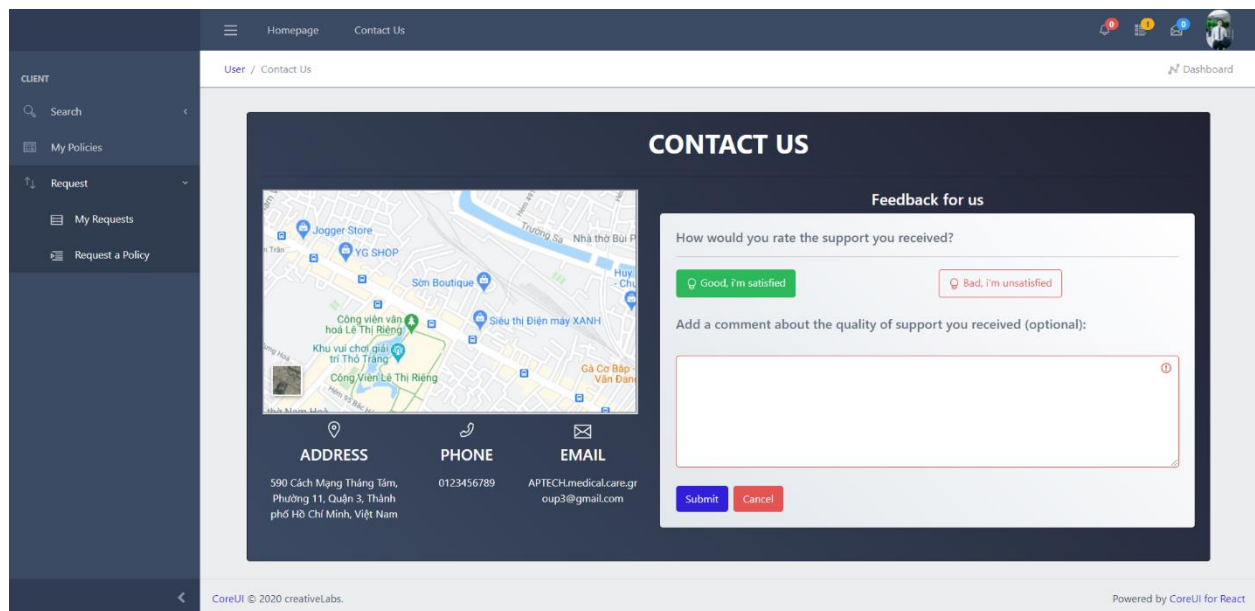

1. Home page:

❖ At home page Guest can:

- Click Homepage to view Hompage page
- Click Contact Us to view Contact page
- Click  to view Profile and logout (User avatar)
- Click  to view Sliderbar

2. Contact Us && Feedback

❖ At Contact page Guest can:

- See information of company
- Send a feedbacks to Admin

3. Search (in SliderBar)

The screenshot displays the CoreUI dashboard's 'Policy Search' page. The sidebar on the left contains navigation links for 'CLIENT', 'Search', 'Policy', 'Company', 'Hospital', 'My Policies', 'Request', and 'FeedBack'. The top header shows 'Dashboard' and a user profile. The main content area features a search form with filters for Policy Number, Max Emi, Max Amount, Insurance Company, Policy Name, Min Emi, Min Amount, and Hospital. Below the form are 'Search' and 'Reset' buttons. A table displays the search results with columns for Actions, #, Policy Number, Policy Name, Emi, and Amount. The table contains five rows of data, each with a 'View' button. A pagination bar at the bottom of the table shows the current page (1) and the total number of pages (2).

Actions	#	Policy Number	Policy Name	Emi	Amount
View	1	21-00001	Random Name	250	3000
View	2	21-00002	Random Name	123	2467
View	3	21-00003	Random Name	222	9876
View	4	21-00004	Random Name	785	2345
View	5	21-00005	Random Name	234	9876

❖ At Search page Guest can:

- Search information of company , hospital , policy

4. My Policies(in SliderBar)

The screenshot displays the 'My Policies' page. On the left is a dark sidebar with a 'CLIENT' header and three menu items: 'Search', 'My Policies' (selected), and 'Request'. The main content area has a top navigation bar with 'Homepage' and a 'User / My Policies' breadcrumb. Below this, the 'My Policies' section contains a table with four rows of policy data. Each row has columns for ID, Duration, Effective Date, Expired Date, Amount, Emi, and Status. All four policies are marked as 'In Term'. Below the table is a pagination control showing page 1 of 2. Underneath the table is a form to add a new policy, with tabs for 'Policy', 'Company', and 'Hospital'. The form includes input fields for Policy Number, Policy Name, Policy Emi, and Policy Amount, as well as text areas for Description and Benefit.

#	Duration	Effective Date	Expired Date	Amount	Emi	Status
1	1 Months	Sat Jan 23 2021	Tue Feb 23 2021	1000 \$	700 \$	In Term
2	1 Months	Sat Jan 23 2021	Tue Feb 23 2021	800 \$	500 \$	In Term
3	2 Months	Sat Jan 23 2021	Tue Mar 23 2021	400 \$	200 \$	In Term
4	12 Months	Tue Jan 26 2021	Wed Jan 26 2022	2019 \$	168.25 \$	In Term

Policy Number: 21-00002
Policy Name: Random Name
Policy Emi: 123 \$
Policy Amount: 2467 \$
Description: Random Description
Benefit: Random Benefit

❖ At My Policy page Guest can:

- See existing policies

The screenshot displays a web application interface for a 'Request Info' form. The form is titled 'Request Info' and is located within a 'Policy Request' section. The form contains several input fields and a 'Cancel' button.

Form Fields:

- Select Policy:** A dropdown menu showing '21-00002 Random Name'.
- Policy Number:** A text input field containing '21-00002'.
- Policy Name:** A text input field containing 'Random Name'.
- Policy Emi:** A text input field containing '123'.
- Policy Amount:** A text input field containing '2467'.
- Description:** A text area containing 'Random Description'.
- Benefit:** A text area containing 'Random Benefit'.

Buttons:

- Cancel:** A red button at the bottom of the form.

Page Structure:

- Header:** Includes 'Homepage' and 'Contact Us' links.
- Left Sidebar:** Contains 'CLIENT' section with 'Search', 'My Policies', 'Request', 'My Requests', and 'Request a Policy'.
- Footer:** Includes 'CoreUI © 2020 creativeLabs.' and 'Powered by CoreUI for React'.

❖ At Request page Guest can:

- See existing requests
- Create a new request
- See details request

III. GUI Design – Back-end:

1. Add employee:

The screenshot shows a web application interface for adding a new employee. The main content area is titled 'ADD NEW EMPLOYEE'. It contains a form with the following fields:

- First Name: Enter first name
- Last Name: Enter last name
- Username: Enter Username
- Password: Enter Password
- Phone: Phone Number
- Email: Email address
- Date of Birth: mm/dd/yyyy
- Designation: Designation of Employee
- Street: Street
- District: District
- City: City
- Postal Code: Postal
- Country: Country

At the bottom of the form are three buttons: Submit, Reset, and Back. To the right of the form is an 'Upload Image' section with a 'Choose File' button and a 'No file chosen' message. The form is part of a dashboard with a sidebar menu and a top navigation bar.

Create New Employee					
Name	Type	Validation	Event	Description	Status
FName	TextField	0 <= Length <= 50	Input	Input first name	Enable
LName	TextField	0 <= Length <= 50	Input	Input last name	Enable
Username	TextField	0 <= Length <= 50	Input	Input username	Enable
Password	TextField	0 <= Length <= 50	Input	Input password	Enable
Phone	TextField	0 <= Length <= 15 Number only	Input	Input phone	Enable
doB	Datetime Picker	Datetime	Choise	Select date	Enable

Designation	TextField	0 <= Length <= 50	Input	Input designation	Enable
Email	TextField	0 <= Length <= 100 Email stype	Input	Input email	Enable
Street	TextField	0 <= Length <= 255	Input	Input stress	Enable
District	TextField	0 <= Length <= 50	Input	Input district	Enable
City	TextField	0 <= Length <= 50	Input	Input city	Enable
Country	TextField	0 <= Length <= 50	Input	Input country	Enable
PostalCode	TextField	0 <= Length <= 10	Input	Input potalcode	Enable

PostalCode	TextField	0 <= Length <= 10	Input	Input potalcode	Enable

3. Add Policies

The screenshot shows a web application interface for adding a new policy. The top navigation bar includes a 'Dashboard' link and a user profile icon. The left sidebar contains a menu with 'Management' (Company, Hospital, Policy, Employee, Request, Approval, Report, Feedback) and 'Utility' (Icons). The main content area is titled 'ADD NEW POLICY' and contains the following form fields:

- Policy Name:** A text input field with a red border and a red error icon.
- Company:** A dropdown menu with 'Công ty Bảo Việt Nhân Thọ' selected, a green checkmark, and a 'Details' button.
- Policy Amount:** A text input field with a red border and a red error icon.
- Policy Emi:** A text input field with a red border and a red error icon.
- Hospital:** A dropdown menu with 'Bệnh viện Nhân Dân Gia Định' selected, a green checkmark, and a 'Details' button.
- Description:** A text area with a green border and a green checkmark.
- Policy Benefit:** A text area with a red border and a red error icon.

At the bottom of the form are three buttons: 'Submit' (blue), 'Reset' (red), and 'Back' (yellow). The footer of the page shows 'CoreUI © 2020 creativeLabs.' and 'Powered by CoreUI for React'.

Add Policies					
Name	Type	Validation	Event	Description	Status
PolicyNumber	TextField	0 <= Length <= 15	Input	Input policy number	Enable
PolicyName	TextField	0 <= Length <= 255	Input	Input policy name	
Amount	TextField	money	Input	Input amount	Enable
Emi	TextField	money	Input	Input emi	Enable
Description	TextField	0 <= Length <= 255	Input	Input Description	Enable
Benefit	TextField	0 <= Length <= 255	Input	Input Benefit	Enable
InsCompanyId	Select	No null	Select	Choise company	Enable
HospitalId	Select	No null	Select	Choise Hospital	Enable

4. Add Hospital

The screenshot shows a web application interface for adding a new hospital. The main form is titled 'ADD NEW HOSPITAL' and contains several input fields with red borders and clear buttons (X). The fields are: Hospital Name (text), Phone (Number) (text), Email (Email address) (text), Website (website Url) (text), Street (text), District (text), City (text), Postal Code (Postal) (text), and Country (Country) (text). There are also 'Submit', 'Reset', and 'Back' buttons at the bottom of the form. To the right of the form is an 'Upload Image' section with a 'Choose File' button and a 'No file chosen' status. The dashboard has a dark sidebar with 'Management' and 'Utility' sections, and a top navigation bar with 'Admin / Hospitals / New Hospital'.

Create Hospital					
Name	Type	Validation	Event	Description	Status
HospitalName	TextField	0 <= Length <= 255	Input	Input HospitalName	Enable
Phone	TextField	0 <= Length <= 15 Number only	Input	Input phone	Enable
Url	TextField	0 <= Length <= 255	Input	Input url	Enable
Img	TextField	0 <= Length <= 255	Input	Input img string	Enable
Email	TextField	0 <= Length <= 150 Email stype	Input	Input email	Enable
Street	TextField	0 <= Length <= 255	Input	Input stress	Enable
District	TextField	0 <= Length <= 50	Input	Input district	Enable
City	TextField	0 <= Length <= 50	Input	Input city	Enable

Country	TextField	0 <= Length <= 50	Input	Input country	Enable
PostalCode	TextField	0 <= Length <= 10	Input	Input potalcode	Enable
